

# Dorset - Bournemouth

Internationally renowned as one of Europe's most fashionable resorts, Bournemouth never disappoints. With seven miles of golden sand, first-class attractions, excellent shopping and beautiful gardens, this is the ideal base for touring. There's some stunning countryside around here for us to explore, of course, & plenty to see & do during each day of our holiday.

## HINTON FIRS HOTEL ★★☆☆

The Hinton Firs Hotel has been under the ownership of the same family for many years. The owners take a close personal interest in all aspects of the running of the hotel. Sometimes they even come out for the day with us on one of our excursions! The staff provide guests with the highest standards of service, comfort and cuisine. Leisure facilities include outdoor (heated) and indoor pools, a spa complex and games room. The hotel is only about 100 yards from the beautiful Overcliffe Drive. The views from the Drive are breathtaking, encompassing a wide sweep from the Isle of Wight to Studland.
