

ISLES OF SCILLY - Scillonian Adventure

The adventure starts with our journey to the Bay Hotel at Pentire, near Newquay, where we stay overnight. We travel down with passengers on the Cornish Explorer holiday.

Please refer to details of the Cornish Explorer holiday for a description of this hotel.

Clearly, all holidays are subject to enforced change in the event of adverse weather conditions. We know we can count on your understanding in the unlikely event that your flight is delayed. To date all our passengers have reached the island on the correct day. Enjoy your holiday! And be assured that everything's almost always just fine. Really!
