

## SUSSEX - Eastbourne

Eastbourne is everything a high quality British seaside resort should be. With its beautiful promenade bordered by colourful floral banks and overlooked by stylish hotels, this is the place to see and be seen! The attractive Victorian pier, the famous bandstand and the Napoleonic towers are also well worth investigating. Those who love the sea and ships will enjoy the elegant Sovereign Yacht Harbour. It's one of the most up-to-date marinas in Europe. Shoppaholics will not be disappointed, either. In fact, there's plenty for everyone in Eastbourne.

### HADDON HALL HOTEL ★★

Family owned and run, the hotel is only about 20 yards from the bandstand, just off the promenade. So, it's in the right place! But the really good news is the hotel's reputation for good food and generous portions. The rooms are well furnished. You'll be comfortable and happy here.
